† Daily Value not established.

OTHER INGREDIENTS: Citric acid, dextrose, acacia, maltodextrin, sucrose, sucralose, starch, bitterness masking natural flavor, natural and artificial berry flavor, silicon dioxide, FD&C red no. 40 and carmine.

DIRECTIONS: Open stick pack and add contents to 16 oz of cool water. Mix well until powder is completely dissolved. To use with a 16.9-oz bottle of water, open bottle and drink a small amount of the water. Open stick pack and add contents to the bottle. Securely cap the bottle and shake vigorously until the powder is completely dissolved. Consume liquid promptly. Use two stick packs per day. Mix the entire contents of the stick pack into water immediately after opening. Stick pack contents stored in an open stick pack may absorb moisture and may not easily pour or dissolve.

WARNINGS: If using any medications or other dietary supplements, consult a health professional before using this or any dietary supplement. If pregnant or nursing a baby, seek the advice of a health professional before using this or any dietary supplement.

KEEP OUT OF REACH OF CHILDREN. In case of accidental ingestion, get medical help or contact a Poison Control Center right away.

CONTENTS SEALED: Each stick pack of **Diurex Drink Mix** is sealed closed. Do not use if the seal appears broken.
